They were all mailed at the end of July? A couple came back. I need to check

Thanks Deb and Jenny. Yes, Cheryl had put the packages together weeks ago and I'm hoping they were shipped off last month.

Cheryl/Pat/Ryan – could you confirm? Thanks!

Best wishes,
Heather

Hi Debbie,

I believe Cheryl was sending them and I am not sure if they have been sent yet.

Have a good night,
Jenny

Hi – I'm following up on some things from late last week. One of those was the question – have all of the letters to homeowners whose wells were sampled been sent? I'm not sure who exactly was sending them all so wanted to check with all of you. Thanks.
